HEALTHTRUST PURCHASING GROUP

# Who we are, what we do

- HealthTrust is committed to strengthening provider performance and clinical excellence through an aligned membership model and the delivery of total spend management solutions that leverage our operator experience, scale and innovation. Members include approximately 1,600 acute care facilities and more than 26,000 non-acute care sites.
- Clinical Advisory Boards and Specialty Committees, whose membership is that of a core group of compliant customers representing the entire membership, perform extensive clinical review, validation and approval of all products and services, that lends support to final contracts. The process ensures alignment to the highest quality products.

# Who we are, what we do

- ISO series 80369 is a crucial clinical SAFETY initiative impacting healthcare today.
- It is vital to understand the position of every key player involved in an effort to provide the comprehensive clinical insight required for product selection, sourcing and deployment in addition to educational resources and transition support.
- HT provides support to our members through education, information, and product selection
